Parties

This agreement is made between Filex Demo Workspace and Northwind Labs, a provider of object storage and content delivery services.

Services

The vendor provides S3-compatible object storage in the eu-central and eu-south regions, with a 99.95 percent monthly availability commitment and eleven nines of durability.

Fees

Fees are invoiced monthly in arrears. Each invoice is due within thirty days and disputes must be raised within fifteen days of receipt.

Term

The initial term is twenty-four months starting 1 August 2026 and renews automatically for twelve-month periods unless either party gives ninety days notice.
